Title: Wanted: Missing Girl

Author: Crown Administration

A reward is being offered
by the Castle British
administration for the
safe return of one Zeyla,
a tamer/ranger who has
gone missing from the
home of her parents.

Described as willful and
intelligent by her parents,
the missing girl is of
average height and build,
with long dark hair often
worn in pony-tail style.

Often seen riding a
Nightmare she calls
Lasombra. This is a minor
child who must come
home to her rightful
place in Britain.
